

POLICE OF SANTA CRUZ PROVINCE

INVESTIGATIONS DIVISION

CASE FILE: PV-26-12-NV

LOCATION

Residential Module B214

PURPOSE

Verification of the residence registered to Nathan Verra following his reported disappearance.

OBSERVATIONS

The residential unit was found secured and accessible through standard administrative procedures.

No visible signs of forced entry were observed.

No evidence of physical struggle, vandalism or emergency evacuation was identified.

Personal belongings previously associated with the resident had already been removed as part of prior investigative and administrative procedures.

The residence appears clean, orderly and suitable for immediate occupancy.

In the primary bedroom, inspectors observed a welcome package intended for a future resident of the unit.

No clarification regarding the reassignment status of the residence was provided during the inspection.

CONCLUSION

No evidence capable of determining the current whereabouts of Nathan Verra was identified at this location.

However, the current condition of the residence appears inconsistent with an expectation of the resident's imminent return.
